

TEXAS HEALTH AND HUMAN SERVICES COMMISSION
ECI LOCAL PROGRAM PERFORMANCE REPORT - FFY 2015-2016

Agency Name: Community Action Corporation of South Texas
Program Name: ECI Project Ninos
Reporting Period: September 2015 to August 2016
Publication Date: March 2017

Texas monitors and measures performance to ensure that the requirements of the federal law, the Individuals with Disabilities Education Act (IDEA), are met. Texas develops a six-year State Performance Plan (SPP) which includes targets and improvement strategies. Each year Texas reports on the state's progress in meeting the targets in its Annual Performance Report (APR). The performance of each local ECI program is also reported annually for some of the same indicators. The performance for the local ECI program is reported below, followed by the statewide performance and the statewide target.

Children Enrolled on August 31, 2016: 640
Geographic Region: Lower South Texas

	Local Program Performance	Statewide Performance	Statewide Target
1. Timely Services - Percent of children with IFSPs (individualized family service plans) who received early intervention services on their IFSPs in a timely manner (within 28 days of family signing the IFSP)	99.2%	96.3%	100.0%
2. Service in Natural Environments - Percent of IFSP services provided in natural environments	100.0%	99.6%	99.0%
3. Child Outcomes - Percent of children who showed greater than expected developmental progress (SS1) and percent of children who exited the program functioning within age expectations (SS2) for the three outcome areas			
A. Social relationships			
SS1: Showed greater than expected progress	81.0%	71.9%	71.2%
SS2: Exited within age expectations	54.5%	52.9%	53.9%
B. Acquire and use knowledge/skills			
SS1: Showed greater than expected progress	81.5%	77.9%	77.2%
SS2: Exited within age expectations	39.3%	42.4%	45.2%
C. Take action to meet needs			
SS1: Showed greater than expected progress	87.8%	79.9%	77.5%
SS2: Exited within age expectations	53.0%	51.2%	51.6%
4. Family Perceptions of ECI Services - Extent to which early intervention services helped families			
A. Know their rights	85.3%	86.4%	87.0%
B. Effectively communicate their child's needs	88.2%	87.4%	87.7%
C. Help their child develop and learn	88.2%	87.4%	87.8%
(Survey Response Rate = 47%)
